Dear Mr Freeman

Environment Agency Consultation – Water for Life & Livelihoods

I write in support of my constituents who are members of Bungay Cherry Tree Angling Club who have concerns about the above consultation.

I understand that the River Waveney has been overlooked within the consultation and that Mr Gladwell, Secretary of the Bungay Cherry Tree Angling Club has submitted a comprehensive response.

I am extremely concerned to read that the River Waveney has not been considered within the consultation. I do feel that the issues encountered along this river should be taken into account and I would be grateful if you could ensure that you include Mr Gladwell's representations is given full consideration.

Yours sincerely
