At last roundabout on Bungay by-pass (A143) heading towards Harleston take the third exit and follow the concrete road up towards the golf club. Park in the **first** parking area on your right.

Walk downhill back towards the roundabout, skirt Common Pond, turn left onto the track by the caravan site and take the footpath through the kissing gate and across the field to the footbridge over the river.

Turning left here you can fish the full length of the river until it returns to the A143 by golf club house.

Rule of thumb - the further you go the better the fishing can be. Good Chub and Pike can be had.
Be prepared for summer weed.

Parking is on your immediate left – space for 4 cars max. **Please do NOT park across the gate into the field.**

You can fish the first marsh here. Good Chub, Pike and Perch can be caught here but be prepared for summer weed.
